This treemap visualizes the composition of the 112th United States House of Representatives in 2012. The chart is divided into two main color-coded sections: a red section on the left representing the Republican Party and a green section on the right representing the Democratic Party. Each section contains rectangular blocks of varying sizes, where the area of each block corresponds to the number of representatives from that district. The blocks are labeled with the names of the representatives. The Republican section (left) includes names like Mladen Ivkovic, Joakim Rosdahl, Tine Colman, Andreas Bleuler, Eric Moseley, Pawel Biernacki, and Robert Farmer. The Democratic section (right) includes names like Warrick Ball, Ebraheem Farag, Josiah Schwab, and Robert Farmer. The names are written in white or black text depending on the background color for readability.
